*"The Lord gave the word: great was the company of those that published it." Psalm 68:11*

## Merry Christmas

*Online ministry:*

Much progress has been made even since our last prayer letter on the development of the tools needed to prepare this huge effort for going live. In fact we have a test launch date in January selected and are working to get things in place for that. We trust by the next prayer letter to be able to direct you to a live page in some language so you can at least see what has been done, as well as providing statistics to accompany it.

A number of offerings, large and small have been made to fund this important ministry and this has given us great confidence in the Lord's leading. He always pays for what He orders! Several missionaries have verbally and otherwise shown their interest in partnering to launch and sustain this ministry in their language.

Please continue to pray for the ongoing development and other areas of preparation as we assemble and convert materials to use in an interactive manner online.

For over 37 years, Krinny and I have been focused on a singular area of ministry; getting the Word of God to the multitudes who do not have it or have no access to it. We praise the Lord for many supporters who have seen the great value in this work. As we now expand that vision onto the world wide web, we see a potential of reaching exponentially more than ever. This is indeed the largest thing we have ever undertaken.

This effort is aimed at not only winning others to the Lord, but not losing the fruit which has resulted from the collective ministries of many through the years."

Thank you for sharing the vision with us even though you do not know all the details nor can see something online yet. Please don't stop praying!

### *Thailand:*

Work continues with publishing in a manner which does not demand our supervision. Additionally, a dear Missionary friend volunteered once again to step in and handle a shipment across the border in our absence. Nat Williams has plenty to do in his own ministry, but left his family nearly 8 hours away to travel to our warehouse and handle this shipment. Praise the Lord, thanks Nat!

At this point, two more containers full of literature for the people of Burma are awaiting us to green-light shipping from the USA. Please pray for all the logistics to be in place before that can happen.

## and Happy New Year!

### *From Krinny:*

It is hard to believe that 2015 is, by the time you receive this, now over. I want to thank all of our friends and supporters for your faithfulness over this past year. You will never know how much we appreciate you folks for your financial giving, but mostly for your prayers on our behalf. We are fully aware that without the prayers of God's people we would surely fail.

We have had a rough year as have many of you. As many of you know both Tom and I are battling Lyme Disease, and yes it is a real battle. We have been told that we will be feeling much better by Spring. How I long for Spring to come and to once again feel like me. This is my year to feel like the Grinch who stole Christmas.

We have seen several dear friends go home to be with the Lord this year. Wonderful for them, but not for us because we miss them. Many friends are right now suffering life threatening illnesses. There are so many people that are having a not very merry Christmas. Our hearts and prayers go out to all of you who are having and have had a very difficult year. We love you and thank each one of you for the letters and gifts that you have sent. We are praying for you as we know you are praying for us. Look up, next year we may celebrate Christmas in Heaven.
