"The Lord gave the word: great was the company of those that published it." Psalm 68:11

Dear Friends,

JULY 2011

Krinny and I have been in the USA since the first part of April. It has been a real blessing to spend time with our home church and formulate some future plans with our new Pastor, Jim Turner.

I have visited a number of churches as well as some of our brethren in printing ministries across the USA. Much has been done in partnership with these brethren and they are such a major part of it. Plans are being laid for future ministry.

A 40' container is in transit to Thailand as this is written. It includes 10,000 whole Bibles, 50,000 New Testaments, 100,000 John/Romans and 150,000 Chick tracts, all in Burmese. Before printing, everything in the container has been handled on the computers in our Translation/Publishing office in Thailand. This is the first printing from the newly re-typeset Judson Bible that we finished last year.

Please be in prayer concerning this shipment. Once it arrives, trans-shipment of the materials start. We have funds on hand for most of that at this point. The materials do no good in a warehouse, they must be strategically placed for distribution. We do not exaggerate in saying this is not an easy nor cheap process.

We appreciate our multi-national coworkers in Thailand holding the ropes while we have been away. Translation, page layout and graphic work can be somewhat thankless at times. These folks are the reason it gets done. Pray for them, a number have experienced attacks of the evil one in past days.

Our 40th wedding anniversary was June 4th and I wanted to make it very special. I asked Krinny where she would go if she had her choice of anywhere. Thinking she would say the UK or maybe even Australia, she surprised me and told me she wanted to go to Africa! Wow! As I said, I wanted to make this special. We had some on-going publishing work in Africa and I had thought that a trip there in the future would be needed anyway, so plans were made and sorted out pretty quickly.

THE THREE OF US PLUS A WARTHOG FRIEND AT VICTORIA FALLS

Our daughter, Lisa, and family were on furlough in the United States at the time and when we told them of our plans, Lisa asked if she could go with us! It was a special time in many ways but having her with us really made it so. We had a wonderful trip and were taken care of by the Doug Hammett and the George Hammett families in South Africa and Botswana. We will never be able to thank them enough for their hospitality and care of all of us.

We are trying to secure seats for the return flight to Thailand in mid-August. Meanwhile, I am undergoing some medical tests and need to finish that before returning. Our daughter and family were able to spend about one month with us in Texas also. Grandparents time!

Prayer and planning has begun concerning the possibility of an outreach during the 2014 Asian Games to be held in Incheon, Korea. It will be in partnership with some brethren in Korea as well as a couple of churches in the USA. Groundwork is being laid for that now. Please pray for direction for all concerned with this great opportunity.

We just released 5 new short videos in a series entitled *Pioneers in Mission Publishing*. Please go to our web site, www.gaudetfamily.org and click on Videos. They are the first ones listed at the top of the page.

Once again, thank you all for your prayers, and financial support. We could not imagine attempting to do what we are doing without you standing with us.
