For Souls Still Waiting...

"The Lord gave the word: great was the company of those that published it." Psalm 68:11

Urdu New Testaments:

We are shipping the last of the **Urdu New Testaments** now. The need is ongoing and at this time, we have requests for nearly 1,000 copies we are unable to fill. I am in contact with brethren who plan to print another 10,000 copies! Please pray, there are huge costs on nearly every level involved in this.

We do what we can, the printers do what they can, and supporting churches do what they can. We believe that is the way God intends for us to get the Word of God out, and we have seen this repeated time and time again. The provision of the Lord is amazing!

Burmese:

Printing ministries have made contact telling me that they have Burmese materials printed and ready to ship. There is enough for a full container. We are working now on getting these materials to WV to load into the container. Eight different ministries and their partners will be represented when this container ships!

We praise the Lord for the supply of materials and for the huge amount which has been expended already getting these materials printed and shipped.

A **second container** filled with whole Bibles is projected to be printed this Fall. Please pray for these printing ministries, their partners, and also those who give sacrificially to see this go forward.

Please pray also for those who will distribute and use these Bibles, New Testaments, Gospels, and study materials in **Burma** as well as **Thailand**. There are many people sacrificially involved in this effort.

The sacrifice spans from people who give so that printing ministries can buy the paper and other supplies, it continues to the printers and volunteers who **give** of their time to help publish the Word of God. The sacrifice continues to those who warehouse and load containers and those who sacrificially **give** to ship the containers across the ocean. And again, those who prayerfully use and **distribute** the Bibles, New Testaments and Gospels. Virtually no one who **receives** the Word of God know of **all of the sacrifice**, but God knows.

It certainly is not the work of one person. We thank God for many who have a part in this which has been repeated over 20 times just in our ministry alone, **just in Southeast Asia!**

Lithuanian Bibles:

Our daughter and son-in-law are missionaries in Lithuania. We spoke via internet about this a couple of weeks ago and I thought it would be good to let you know about it.

A ministry planning an outreach in Lithuania ordered enough Bibles for their outreach. The supplier did not have enough so it was necessary to have them printed.

There is a shortage of Bibles among the churches in Lithuania. When brethren there found out that doubling up on the order would mean that each Bible costs less. They talked about it and decided to order 1,000 copies above the number ordered by the outreach ministry.

Churches in Lithuania have given **\$3,826** and a couple of churches in the USA have given so that the amount needed at this point is **\$4,374**. The order of Bibles will be delivered on **June 15th**. Of course, the balance will have to be paid then.

Please bathe this in prayer, and if you wish to give toward it, contact me and I will give you instructions as to how to help.

Outreach:

We have partnered with brethren who are organizing an outreach in Peru during the **Pan America Games**, July 26-Aug 11.

Tracts are being printed in Peru to distribute during these games. As a method of response to anyone who wishes to know more about the Gospel, we have provided a QR code and web link. Scanning this code with a smart-phone or typing the link into a computer will direct them to a web page on our system where:

- They can interact personally with a counselor in Peru.
- They have access to a series of Bible studies designed to point them to Christ.
- They can read the Bible.

More than 66% of households in Peru (2017) have internet access at home or a on a smart-phone. Rural internet usage has **expanded 19 times** in Peru between 2012-2016. This means many tribal people, *Quechuan*, *Aymara* and others, as well as *Spanish* now have access to the internet! We hope to be able to report to you the kind of response after this outreach.

Please pray for the brethren who are organizing this outreach. and those who will be *"boots on the ground"* handing out the message of the Gospel.

From Krinny:

These last few months since our last prayer letter have been eventful. Tom was preparing for another back surgery and had to have clearance by his cardiologist. As it turned out, and this is the short version... he is now recovering from *quadruple heart by-pass surgery*. He is still awaiting back surgery, and has now been cleared for it.

He is in cardiac rehab 3 days a week, but the recovery is slow and he is still in considerable pain from his back. The only upside from all of this is that our daughter came to help us and was able to stay for a month. I do not know what we would have done without her. She cooked, cleaned, and was generally our maid, chauffeur, and go-fer for the month.

As far as my personal health goes, many of you know that I have *Lyme Disease*. I was doing very well with it until a couple of weeks ago when I was slammed with the symptoms with a vengeance. I had been off the supplement for a while and I thought it was gone...but, alas, it is not. It is here again and making my life difficult. Please pray for both Tom's and my health, that we would recover from our various maladies.

Please continue to pray for us. Believe me when I tell you that we can tell when people are praying for us and when they are not. We know that without the prayers of God's people we will never be able to continue on. We love you all and appreciate you more than we can convey to you in a prayer letter.

Until He comes, Krinny

E-Mail Updates:

We would love to have you subscribe to our e-mailed updates. Over the years as this work has grown, we have seen the value of having nearly instantaneous communication with our prayer partners and supporters. We are only able to get 4 of these printed newsletters out via postal mail each year. However, we send e-mail updates as many times as is demanded by the situation, but it is never frivolous.

To subscribe, please go to www.gaudetfamily.org and enter your e-mail address in the Subscribe box. You will then be subscribed to the Gaudet Family Updates. Thank you for considering it. If you only get these newsletters a lot occurs that simply cannot be reported here.

Web based Ministry:

Many of you already know about and have been praying for this important ministry. Some have started giving monthly to sustain and expand it. Indeed it can have worldwide impact.

When introducing this initiative to a number of brethren in other languages, several have asked about an app for their smart-phones which allows them to read and study the courses off line when no internet is available. In an effort to expand to this level of functionality we are now searching for a **developer** who can produce an **app for smart-phones**. We are not interested in reinventing the wheel so to speak, but we do not know of any app currently available that would handle this.

Please pray as we search for an **app developer** who is able to produce what we need.

Prayer:

Looking back over our letter it seems like we ask you to pray a lot. Then I thought about it, "*...this is a prayer letter...*"

Through the years, I guess we have learned where the strength, encouragement, protection, and provision to do His work comes from; **utter dependence upon Him!**

¶ *Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:*

And that we may be delivered from unreasonable and wicked men: for all men have not faith. (2 Thess 3:1,2)
